

Apple MacBook Air 13-inch M4 16GB RAM 256GB

UAG Amour Shell Protective Case & 4-year mechanical warranty and 4-Year accidental damage cover with no excess

Each MacBook Air will be enrolled onto the school mobile device management system and have Apple, Microsoft and Adobe software installed along with filtering and monitoring software for student safeguarding compliance.

Please note: The protection included in this package provides a 4-year mechanical warranty (no excess) and 4-year accidental damage cover (no excess) for the Apple MacBook Air and this

The 13-inch MacBook Air with the M4 chip lets you fly through work and play. With Apple Intelligence, a brilliant Liquid Retina display, up to 18 hours of battery life and a strikingly thin and light design, it's built to last and can take on just about anything, anywhere.

Supercharged by M4

The Apple M4 chip brings even more speed and fluidity to everything you do, like working across multiple apps, editing videos or playing graphically demanding games.

Built for Apple Intelligence

Apple Intelligence is the personal intelligence system that helps you write, express yourself and get things done effortlessly. With groundbreaking privacy protections, it gives you peace of mind that no one else can access your data - not even Apple.

Up to 18 hours of battery life

MacBook Air delivers the same amazing performance whether it's running on battery or plugged in.

Portable design

Super-light and just 1.13 centimetres thin, MacBook Air fits easily into your bag - and your on-the-go lifestyle.

A brilliant display

The 13.6-inch Liquid Retina display supports one billion colours. Photos and videos pop with rich contrast and sharp detail, and text appears super-crisp.

Look and sound your best

Everything looks and sounds amazing with a 12MP Center Stage camera, three mics, and four speakers with Spatial Audio.

Connect it all

MacBook Air features two Thunderbolt 4 ports, a MagSafe charging port, a headphone jack, Wi-Fi 6E and Bluetooth 5.3.[4] And it supports up to two external displays.

Apps fly in macOS

All your favourites run lightning fast in macOS, including Microsoft 365, Adobe Creative Cloud and Google Workspace.
